ABOUT ALICE

“A change is as good as a rest.”

Imagine a white yacht, the azure ocean, and the paradise Maldives.

This is what a dream voyage on ALICE looks like. Let us tell you who is ALICE!

We have named our yacht after the legendary Smokie song “Living Next Door to Alice”. However, if you have any associations with the heroine of Lewis Carroll, you are right, too!

Welcome to the “Wonderland” – aboard a brand-new four deck yacht. An underwater safari with incredible views of the Maldives is ahead of you. This adventure is suitable for both beginners and professionals.

The yacht is offered for a full charter, with a crew. Holidays on ALICE are equally good for those who have come to the Maldives for the first time, and for those who have already had a chance to fall in love with this paradise. Charter on ALICE is an opportunity to discover new verges of the picturesque archipelago – to admire its islands and beaches – every day.

The boat was floated out at the end of 2019, and the last redecoration was carried out in the first quarter of 2020. We chose to design the yacht in eco-style and dedicated a lot of time for every detail. Whatever you touch, whatever you wish, you will be delighted at how well everything is thought out here.

SUNDECK

A large white yacht named Alice is sailing on the ocean at sunset. The yacht is positioned in the lower right quadrant of the frame. In the background, a tropical island with a dense forest of palm trees and a sandy beach is visible. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue. The water is a deep blue with gentle ripples. A small motorboat is visible in the distance to the right of the yacht.

WE LOOK FORWARD TO WELCOMING YOU ON
